REGISTRATION DEADLINE:

March 16, 2021

What is Quartz's Best Companies for Remote Workers?

Quartz's Best Companies for Remote Workers is a global program designed to recognize employers that are loved by their remote employees. The process is managed by Best Companies Group (BCG) and winners are published by Quartz.

What is Best Companies Group (BCG)?

Best Companies Group is an independent research firm specializing in identifying and recognizing great places to work. BCG manages programs worldwide, including the US, Canada, and the UK.

Why Participate?

By participating, you can find out if you are one of the best employers for remote workers! It can also result in significant organizational benefits for entrants:

- **Heightened Company Pride:** If your company appears on the list, it could improve employee morale and retention.
- **Public Relations and Marketing Advantage:** Organizations can use the distinction to enhance recruiting efforts, increase the value of general marketing and improve reputations.
- **The BCG Insights Report Package:** While participation is FREE, participants can pay as little as \$745 to receive their Insights Report Package detailing the company's employee responses. Also included are employee and employer benchmarks.

Who Can Participate?

- Be a publicly or privately held business
- Must be in business a minimum of one year
- Have a minimum of 25 remote full time employees.

* Nonprofits or government entities are ineligible for this program.

*Organizations with 100 or fewer employees must have at least 25 full-time, permanent employees who are remote workers at the time of application. For employers with more than 100 permanent full-time employees, at least 25% of the workforce must be working remotely at the time of application to our program. A "remote worker" is defined as someone who performs their job in a location that is neither affiliated with nor fully furnished by their employer, for at least 75% of the time.

Assessment Description

The process includes two surveys to gather detailed data about each participating company. BCG conducts the surveys, analyzes the data and determines the winners and rankings.

- **Part I – Employer Questionnaire (EQ):** The employer (main company contact) will complete this survey, detailing company policies, practices, benefits and demographics. The employer will be asked to complete the EQ online.
- **Part II – Employee Engagement & Satisfaction Survey (EES):** The employee survey is an in-depth set of statements (78) that employees will be asked to respond to on a 1-5 Likert scale of "Strongly Disagree" to "Strongly Agree". This section of the survey will also include two (2) open-ended questions, and seven (7) demographic questions.

Announcing & Recognizing the Winners!

The contact at each company is notified of their status prior to the release of the winner rankings in summer 2021. Non-winning organizations are not publicly revealed.
